PROFESSIONAL EXPERIENCE

Coder Foundry, Web Software Engineer

Kernersville, NC · August 2018–November 2018

- Created four projects, including:
 - A portfolio site using C#, MVC, HTML5, CSS3, BOOTSTRAP, JS & jQuery.
 - Enhanced the site with a blog project and shopping cart application, which used Code First Migrations with LINQ and Entity Framework to develop the database.
 - Fully designed and developed a multi-functional issue tracker web application, implementing enhanced roles & security, which also used a Code First Relational database designed and modeled in SQL Server. Technologies used include: .Net Framework v. 4.6.1, MVC6, C#, LINQ, SQL, Entity Framework, jQuery DataTables.

J&J LLC - Jakes Billiards & Freeman's, Shift Supervisor

Greensboro, NC · June 2015–August 2018

- Supervised fifteen kitchen staff, assigning work and allocating responsibilities as needed to ensure minimal wait times while maintaining product quality.
- Trained new employees in job responsibilities, health and safety policies, and industry best practices
- Communicated expected challenges and management goals to employees through daily staff meetings.
- Worked with chef to prioritize inventory and reduce spoilage through the creation and promotion of weekly specials.

Springhill Suites Marriott - Guest Services Representative

Greensboro, NC · January 2013–June 2015

- Managed customer experience; presented and communicated corporate programs to customers; resolved issues to the satisfaction of clients and hotel.
- Managed nightly audit, ensuring that proper procedures for cash and credit card transitions were followed.
